ANNUAL REPORT OF THE MEDICAL OFFICER OF HEALTH

TO:

The Chairman and Members of the Stokesley Rural District Council.

Mr. Chairman, Ladies and Gentlemen,

I have the honour to present my Annual Report for the year ending 31st December, 1971.

There are no special features in the statistical section to which I have to draw your attention.

It will be noted that 38 cases of Hepatitis were notified during the year. Most of these were associated with a school in Stokesley and occurred at fairly long intervals throughout the year. Some concern was felt about these cases because, although usually mild, occasional serious results occur. The outbreak came to an end shortly after the end of the year following immunization with gamma globulin.

I should like to take this opportunity of thanking the Chairman and Members of the Health Committee and the Council's Officers, especially Mr. Fall and his staff for their help and co-operation during the year.

I am, Mr. Chairman, Ladies and Gentlemen,

Your obedient servant,

P. S. R. BURRELL,

Medical Officer of Health.

ANNUAL REPORT OF THE CHIEF PUBLIC HEALTH INSPECTOR

To the Chairman and Members of the Council,

I have pleasure in presenting the Annual Report on Environmental Hygiene in your area for the year ending 31st December, 1971, and take this opportunity to express my gratitude to the Council for their continued support.

I am, Mr. Chairman, Ladies and Gentlemen,

Your obedient Servant,

J. FALL,

Chief Public Health Inspector.

Sanitary Circumstances of the Area

1. (i) WATER:

Bilsdale, and parts of Ingleby Arncliffe, Ingleby Greenhow, Little Ayton and Whorlton are supplied by private water schemes. The remainder of the District is served by Tees Valley and Cleveland Water Board.

The spring supplies and treatment plants, previously owned by the Rural District Council near Ingleby Greenhow, Kildale, Carlton and Scugdale, are still being used by the Water Board.

PUBLIC CLEANSING

Weekly collection of refuse from almost all dwelling houses continued during the year.

Outlying premises and many isolated farms are served fortnightly, monthly, or by mutual agreement.

One "Compression" Vehicle and two "Fore and Aft" tipping vehicles and a staff of fifteen men are used for collection and a fourth vehicle is held in reserve. Two additional men are employed as holiday and sickness relief.

REFUSE DISPOSAL

Aireyholme Quarry was used as a refuse tip during the year. Fortunately, a substantial amount of soil was available and from late spring until winter, refuse was covered on most occasions.

SPECIAL COLLECTIONS OF REFUSE

This service to shops etc. was continued during the year at a charge of 5np per bin.

SLAUGHTERHOUSES:

The Council continue to lease the other five premises (one at each of the following villages)—Stokesley, Great Ayton, Ingleby Greenhow, Hutton Rudby and Ingleby Arncliffe and operate these as public slaughterhouses.

The five premises are registered with the Meat and Livestock Commission and a levy of 20np per head for cattle, 5np for calves, 9np for pigs and 1½np for sheep has to be paid to the Commission. The cost of the levy is recovered from individual butchers.

MEAT INSPECTION:

The Inspectors continued to meet the requirements of individual butchers and maintain 100% inspection by working outside normal working hours, particularly on Bank Holidays.

Fees for inspection and marking continued at the rate of 12½np per head for cattle, 4np for calves and pigs and 2½np for sheep.

The number of animals slaughtered and inspected in the slaughterhouses since 1954 is as follows:
